

Follett Enlight delivers one consistent reading environment, whether you are reading from your desktop, tablet, or smartphone.

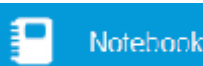

To choose Follett Enlight as your preferred eReader, click on your username in the top right corner of the screen and select **Preferences** from the drop-down menu. Then, choose **Follett Enlight (Cloud)** for reading eBooks online or **Follett Enlight (App)** for reading checked-out eBooks offline.

Click on the Follett Shelf link in the upper left-hand corner to be returned to the Follett Shelf eBook library.

The Follett Enlight Bookbag contains all of the eBooks you have checked out from your Follett Shelf eBook library.

The Notebook button takes you to the Notebook outside of the Enlight reader. Here you can access all notes and highlights from all Follett eBooks you have read.\*

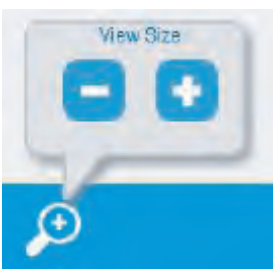

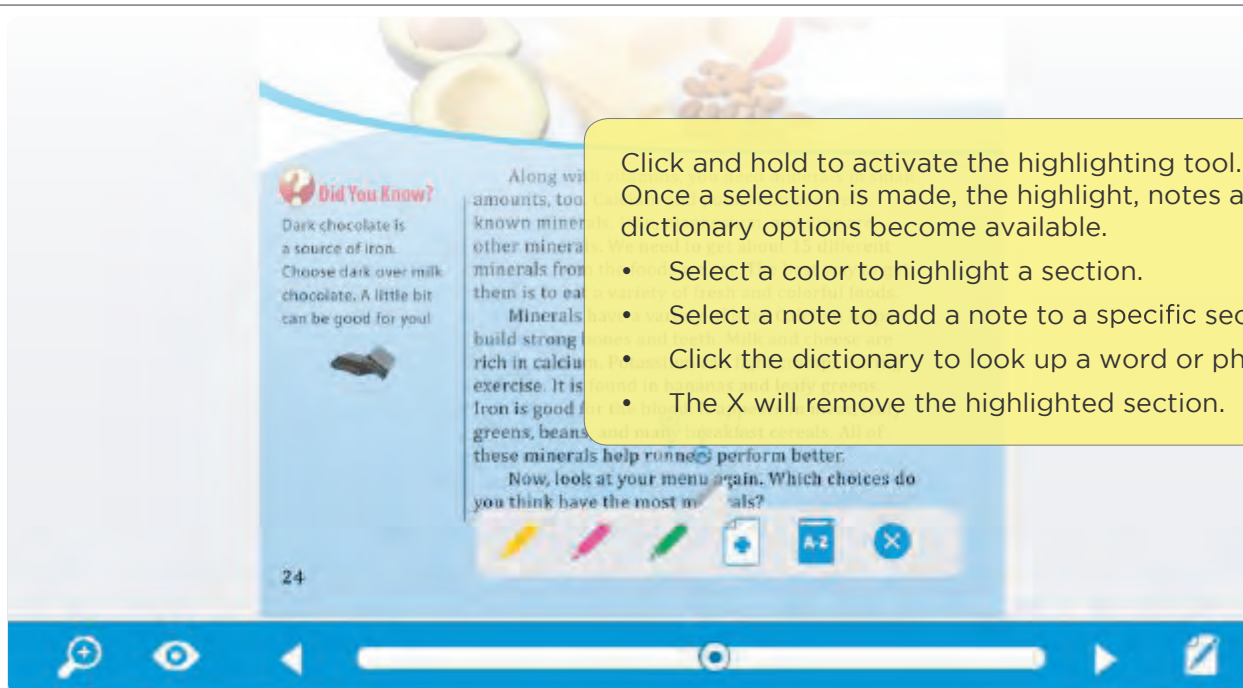

The Information button in Enlight provides data about the eBook currently in use including:

- Option to Checkout/Due date
- Table of Contents
- Printing and Copying Permissions\*
- Search Functionality\*

The Account button gives you the option to Logout of Follett Enlight, or to access the Help page.

The Zoom feature in the Textflow reader is accessed in the bottom left hand corner. Increase or decrease the text size.

The Eye icon gives you the option to activate the 1 or 2 page view or to activate Textflow view.  
In Textflow view:

- Text will automatically remove images so that only text is viewed on the screen. Text will resize to fit in the given screen area.
- Print will show the eBook as it would exist in the actual book.

**NOTE:** Not all eBooks support the Textflow view.

The Page Location Slider lets you navigate forward or backward in the eBook. Click and drag the circle to navigate to a particular location in the eBook.

The Note icon enables you to add a note in Follett Enlight.

\*Features currently not available in the Follett Enlight App.
