

Just Right Books

A book is too **HARD** if:

- I get stuck on words
- It doesn't make sense
- I can't read with expression
- It is confusing

A book is **JUST RIGHT** if:

- I can read fast & smooth
- It makes sense *most* of the time
- I can read with expression
- I can retell the important parts
- I grow ideas as I read
- I like it!
