# Staff PTO Membership

**WHY JOIN?**

- **Because with your support, in 2018-2019 we were able to raise $40K from fundraising events to support our schools!**
- **The PTO supports several programs at both schools including field trips, artist in residence, special interest day, book fairs, new classroom materials and books, and so much more!**
- **You get a FREE directory with your membership. This handy book has all the school and community info you need in one convenient place!**
- **The PTO is one of the links between families and YOU!**
