## Tune-Ups & Tryouts Information

Training to become a better volleyball player, having fun while working hard to be your best, competing to win, and learning valuable life lessons are at the core of 360. The Academy works hard to help each child grow to their fullest potential on and off the court, developing the athlete and the whole person.

### About the Staff

In all areas of 360 athletes will work with experienced and highly qualified high school and club coaches as well as current and former collegiate players. Everything we do and teach is based on the premise of working hard, getting better and having fun.

### About the Director

The director of 360 Volleyball Academy is current Nicolet High School girls' varsity head coach, Dann Jacobson. Jacobson has been a teacher and head coach at Nicolet for over 20 years and was the U14 coach for Milwaukee Volleyball Club for over 10 years. Coach Jacobson's teams and players have been highly successful in club, high school and college over the years. His coaching style, ability to teach the game to players of various ability levels, and his positive motivation have earned him the respect of opposing coaches and the gratitude of parents and players.
