Elective Choices
(Students must choose two)

- Art** 
- Music** 
- Creative Writing** 

Each of these classes will run for one 12-week trimester, opposite Physical Education. Seventh grade students will also take one trimester of Health. Because technology skills are being integrated into academic core classrooms in the 7th and 8th grades, there is no longer a need for the stand-alone DATA class.

A Special Note about Performing Arts Classes: In 7th grade, performing arts classes occur during a different period of the day than the electives listed above. Please know that if your child is in Band, Choir, or Orchestra this year, he/she will be automatically enrolled in this class for next school year. If you and your child are considering not taking a performing arts class next year, we ask that you speak directly with the instructor. We do encourage all students to take a performing arts class!

Please return this completed form to the Bayside Main Office by Wednesday, June 7th.
