

Hi Bayside Families,

Cub Scout Pack 391 of Bayside Middle School is doing a personal hygiene products collection to support the students of the Banner Prep School in Milwaukee. Below is a short letter from the Staff at Banner Prep School in Milwaukee. Included in the letter is the list of hygiene products that we are looking to collect and provide to these students. We will collect these items from **Tuesday, November 22<sup>nd</sup> through Friday, December 2<sup>nd</sup>**.

From the staff at Banner Prep:

Banner Prep is a non-profit entity in partnership with Milwaukee Public Schools. We are unique in that we support students who have been temporarily placed at our school to focus on academic or personal behavior issues in order to return to a traditional MPS high school.

We are striving to lower suspensions, increase attendance, improve engagement in classwork and change difficult behavior patterns. 100% of the students go through a personalized improvement plan. A large part of the population needs special education services and have poor reading, writing and math scores. Our programs help students that are vulnerable due to poverty, housing issues and lack of family support.

Having the tools for good personal hygiene is a fundamental part of being prepared for the day. These toiletry kits will help students feel more confident and prepared for learning. We appreciate your support!

So, travel sizes of the following:

- Toothpaste
- Toothbrush
- Mouthwash
- Wet wipes
- Deodorant
- Liquid soap
- Bar soap
- Q-tips
- Washcloth
- Tissues

Once these items are collected, the Cub Scouts will sort them and put them into Ziploc bags for the students to take when needed.

**There will be a collection box at the entrance of Bayside Middle School starting on Tuesday, November 22<sup>nd</sup>.**

Thank you in advance for your support!
