

MEPA

Multi Ethnic Parent Association

MEPA is an advocacy group.

We work with Nicolet to:

- *Identify, address, and resolve the needs of multi-ethnic students and their families
- *Increase diversity and understanding among staff, administration, and board members

We partner with Administration and Staff to address concerns impacting our students around academic performance, achievement gaps, and discipline.

We Need You! We meet every 4th Wednesday of each month.

Our next meeting: Wednesday, April 26th 6:30-8:00 pm in the Staff Room in the Café.

We are welcoming Kindergarten-8th grade families. We are transforming Nicolet MEPA to become a K-12 MEPA. Our combined strength will engage knowledgeable and successful families.
