Dear Families:

Wisconsin's rule for identifying students with specific learning disabilities (SLD) has changed. No later than December 1, 2013, all initial SLD evaluations of public school student will use information from interventions to make eligibility decisions.

This letter is to notify you that beginning December 1, 2013, initial specific learning disability (SLD) evaluations at Stormonth Elementary School and Bayside Middle School will begin using information from a student's response to intensive, scientific research based or evidence based intervention when making special education eligibility decisions.

If you have any questions or would like more information, please do not hesitate to contact either Paul Reich, Special Education Coordinator, or Jennifer Ganske, Director of Teaching, Learning, and Special Programs.

Sincerely,

Paul Reich
