Youth Softball Leagues Program Descriptions

TEE BALL

Tee Ball is for ages 4-6 (K4 thru 1st grade). This is a non-competitive program open to boys and girls with little or no previous baseball experience. Participants will learn the very basic fundamentals of baseball and organized games will be played but scores and standings will not be kept. Players will be randomly placed on teams. However, you may request to have your child be placed with their friends. Each player will receive mini Major League Baseball team replica shirts and hats. The first day (June 10) will be an orientation/practice session and uniforms and schedules will be handed out. All teams will be coached by a combination of paid high school students and adult volunteers. Coaches meetings will be held the week leading up to the first day. Volunteer coaches needed, please email kirk.krychowiak@nicolet.us if interested. A packet of information will be emailed to you upon registration. All league info will be posted on the Nicolet Recreation website under softball central. Games will be played on Saturday mornings at rotating times of 9am, 10am and 11am. The season will end no later than July 22nd.

PARENT PITCH

A step up from Tee Ball, Parent pitch is for those just finishing 1st or 2nd grade. First graders playing for the first time should start with Tee Ball. K5ers may register for this league if they have played Tee Ball before. This league is similar to Tee Ball and uses the same ball. No scores or league standings are kept. However, this is the league where the rules and defensive positions begin to be taught. There are no umpires in these games and all players must bat against pitches thrown by the volunteer parents. A volunteer adult Head Coach will be assigned to each team. It will be the Head Coach's responsibility to solicit a team sponsor who will provide team shirts and hats, schedule practices and coordinate all team activities. Volunteer coaches are needed, please email mangeli1@wi.rr.com if interested. Players are randomly assigned to teams by the school they attend, but you may request certain teams or to be with friends. If returning to the league, you will automatically be assigned the same team you played on the previous year. Games are generally played on Monday evenings with an occasional Wednesday game scheduled. The season will end no later than July 20th.
