

Teachers feed our students' minds...

... let's feed them during conferences!

Please help the PTO by volunteering to support the Teacher Conference Dinner on February 16. Our amazing teachers work so hard and conference days are extra-long; please consider helping out.

We need volunteers to:

- Help set up and clean up meals
- Purchase bottled water, plates, cups, and napkins
- Bake or buy desserts and veggie trays

To volunteer, please go to **www.signupgenius.com** and search Bayside Winter Conference Dinner or contact Cortney Roberts at ctbroberts@gmail.com.

Thank you!
Our teachers *truly* appreciate this event!
