

Dear Friends, Families, and Neighbors,

For nearly twenty years, The Fox Point-Bayside Educational Foundation, Inc. (FPBEF) has been instrumental in helping Bayside and Stormonth schools achieve many individual and district accomplishments including earning the Wisconsin Department of Public Instruction's highest rating--"Significantly Exceed Expectations."

Through this annual appeal and the various fundraising events, the FPBEF has raised more than \$400,000 to invest and return to the Stormonth and Bayside Schools for student focused innovations which are priorities of the leadership and teaching teams yet are unfunded by the schools budget. In past years, YOUR gifts have provided many, many progressive technology and facility initiatives. Thank you for your generosity and for making so many great things possible!

With the year end approaching and the knowledge that an investment in education yields the greatest of all returns, we ask you to once again include the Fox Point-Bayside Schools in your philanthropic priorities.

*You might also consider inviting family members and others interested in making a special gift on behalf of children or families in the district to contribute to the FPBEF and it's initiatives as well.*

Gifts may be made via the enclosed form or online through paypal:  
<http://www.foxbay.k12.wi.us/education-foundation.cfm>

Please also mark your calendar and watch for more details on the annual community event **Rolling On The River Benefit** on March 18, 2017 at Shully's Watermark in Thiensville.

Your Special Offer is **10%** off tickets purchased before Feb 1, 2017 at [RollingOnTheRiverBenefit.com](http://RollingOnTheRiverBenefit.com)

*The Fox Point-Bayside Educational Foundation is a 501(c)(3) organization.*

*Your gifts, large or small, are tax deductible and will directly impact students in our immediate community.*

Sincerely,

**Zia Maskara**

President, Parent, Community Member.
