STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case Current Students Quarantined Due To Close Contact

0 (0%)	7 (.83%)
0 (0%)	2 (.43%)
0 (0%)	5 (1.4%)

TRIGGER POINTS

#1 14-Day Cumulative Positive Case % **#2** 14-Day Average Staff Absence Rate **#3** 14-Day Average Student Absence Rate

.10%	1.65%	4.37%
.18%	1.82%	2.75%
0%	1.43%	6.6%

Potential Transition to Virtual Learning

#1 - Positive Case %: Cumulative total positive cases over the last 14 days, divided by the total number of staff **[** This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

#2 - Staff Absence Rate: Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

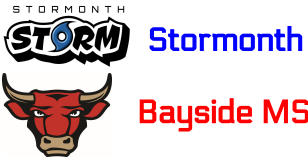

#3 - Student Absence Rate: Calculated as the percent of students absent from school building over past 14 days

#4 - Community Burden (Harvard Model): See below.

FOX BAY DISTRICT

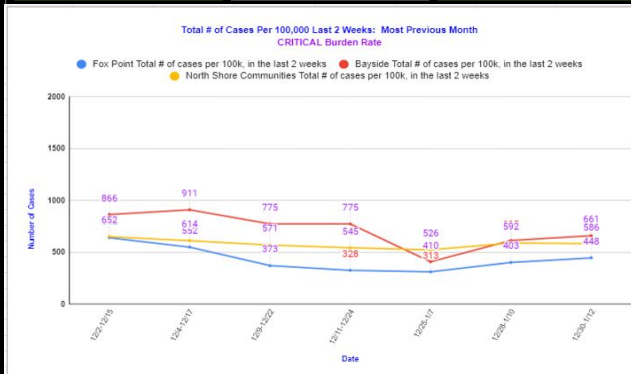

Burden (case rate per 100,000 in most two recent weeks 12/30-1/12)

Bayside	CRITICAL	661
Fox Point	CRITICAL	448
North Shore Communities	CRITICAL	586
