1/22/2021 data
Updated Each Friday

STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case Current Students Quarantined Due To Close Contact

3 (.36%)	19 (2.28%)
2 (.42%)	11 (2.36%)
1 (.27%)	8 (2.17%)

TRIGGER POINTS

#1 14-Day Cumulative Positive Case % **#2** 14-Day Average Staff Absence Rate **#3** 14-Day Average Student Absence Rate

.52%	4.26%	2.71%
.55%	5.05%	2.48%
.47%	3.17%	2.53%

Potential Transition to Virtual Learning

#1 - Positive Case %: Cumulative total positive cases over the last 14 days, divided by the total number of staff **[** This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

#2 - Staff Absence Rate: Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

#3 - Student Absence Rate: Calculated as the percent of students absent from school building over past 14 days

#4 - Community Burden (Harvard Model): See below.

FOX BAY DISTRICT

STORMONTH Stormonth

Bayside MS

SCHOOLS

Burden (case rate per 100,000 in most two recent weeks 1/9-1/22)

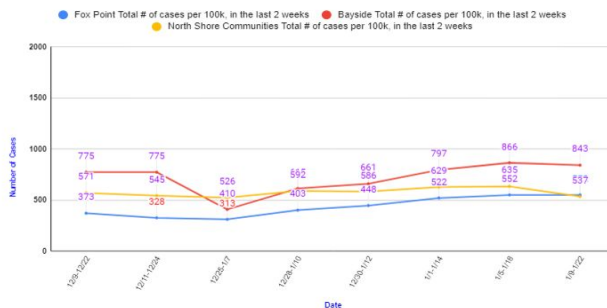

Bayside	CRITICAL	843
Fox Point	CRITICAL	552
North Shore Communities	CRITICAL	537
