TRIGGER POINTS

#1

14-Day Cumulative Positive Case %

#2

14-Day Average Staff Absence Rate

#3

14-Day Average Student Absence Rate

| | | |
|------|-------|-------|
| .62% | 5.26% | 3.62% |
| .55% | 5.68% | 3.84% |
| .71% | 4.69% | 3.28% |

Potential Transition to Virtual Learning

#1 - Positive Case %: Cumulative total positive cases over the last 14 days, divided by the total number of staff **[** This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

#2 - Staff Absence Rate: Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

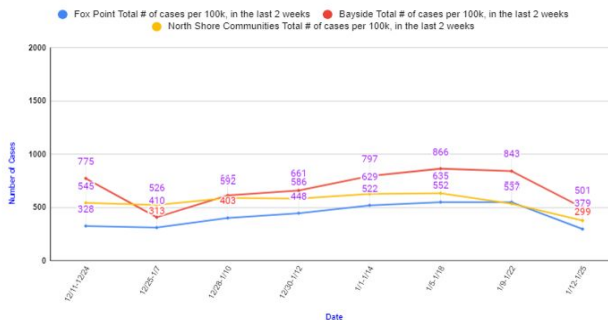

#3 - Student Absence Rate: Calculated as the percent of students absent from school building over past 14 days

#4 - Community Burden ([Harvard Model](#)): See below.

Total # of Cases Per 100,000 Last 2 Weeks: Most Previous Month
CRITICAL Burden Rate
