STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case Current Students Quarantined Due To Close Contact

	Current Students Isolated Due To A Positive Case	Current Students Quarantined Due To Close Contact	#1 14-Day Cumulative Positive Case %	#2 14-Day Average Staff Absence Rate	#3 14-Day Average Student Absence Rate
	1 (.12%)	5 (.60%)	.52%	3.93%	2.60%
Stormonth	1 (.21%)	3 (.64%)	.18%	3.90%	2.67%
Bayside MS	0 (0%)	2 (.54%)	.94%	3.97%	3.09%

TRIGGER POINTS

#1 14-Day Cumulative Positive Case % #2 14-Day Average Staff Absence Rate #3 14-Day Average Student Absence Rate

Potential Transition to Virtual Learning

#1 - Positive Case %: Cumulative total positive cases over the last 14 days, divided by the total number of staff **[** This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

#2 - Staff Absence Rate: Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

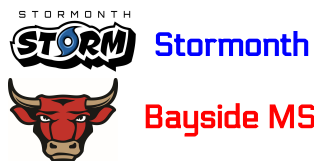

#3 - Student Absence Rate: Calculated as the percent of students absent from school building over past 14 days

#4 - Community Burden (Harvard Model): See below.

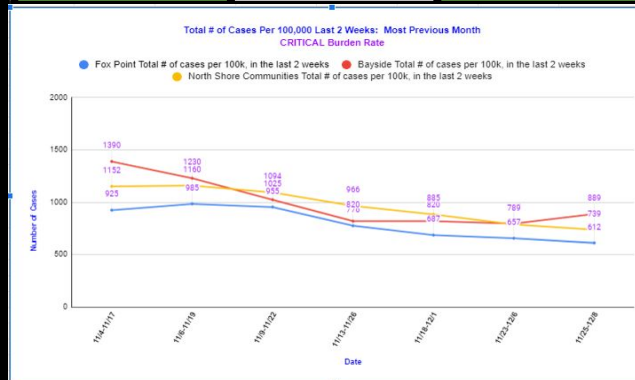

FOX BAY DISTRICT

SCHOOLS

Burden (case rate per 100,000 in most two recent weeks 11/25-12/8)

Bayside	CRITICAL	889
Fox Point	CRITICAL	612
North Shore Communities	CRITICAL	739
