

# COVID-19 MONITOR & TRANSITION DASHBOARD

DATA AS OF  
**12/04/2020**  
\*Updated every  
Friday

## STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case      Current Students Quarantined Due To Close Contact

1 (.12%)	3 (.36%)
0 (.0%)	3 (.64%)
1 (.27%)	0 (0%)

## TRIGGER POINTS

**#1** 14-Day Cumulative Positive Case %      **#2** 14-Day Average Staff Absence Rate      **#3** 14-Day Average Student Absence Rate

.62%	8.2%	7.72%
.55%	9.52%	7.64%
.71%	6.21%	7.86%

## Potential Transition to Virtual Learning

**#1 - Positive Case %:** Cumulative total positive cases over the last 14 days, divided by the total number of staff **[\*\* This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

**#2 - Staff Absence Rate:** Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

**#3 - Student Absence Rate:** Calculated as the percent of students absent from school building over past 14 days

**#4 - Community Burden (Harvard Model):** See below.

FOX BAY DISTRICT

STORMONTH

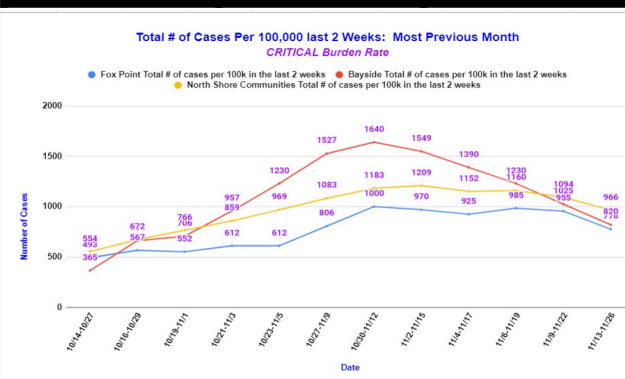

Stormonth

Bayside MS

Burden (case rate per 100,000 in most two recent weeks 11/18/12/1)

Bayside	CRITICAL	820
Fox Point	CRITICAL	687
North Shore Communities	CRITICAL	885
