

# COVID-19 MONITOR & TRANSITION DASHBOARD

DATA AS OF  
**2/17/2021 @ 10:10am**  
\*Based on Friday's Data 2.12.2021\*

## STUDENT COVID-19 DATA

	Current Students Isolated Due To A Positive Case	Current Students Quarantined Due To Close Contact
	0 (0%)	6 (.72%)
	0 (0%)	3 (.64%)
	0 (0%)	3 (.82%)

## TRIGGER POINTS

#1	14-Day Cumulative Positive Case %	#2	14-Day Average Staff Absence Rate	#3	14-Day Average Student Absence Rate
	.21%		2.86%		2.46%
	.37%		3.38%		1.77%
	0%		2.14%		3.33%

## Potential Transition to Virtual Learning

**#1 - Positive Case %:** Cumulative total positive cases over the last 14 days, divided by the total number of staff **[\*\* This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

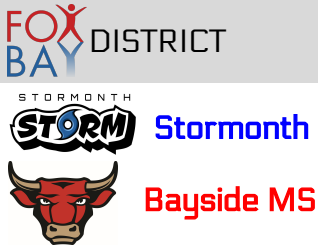

**#2 - Staff Absence Rate:** Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

**#3 - Student Absence Rate:** Calculated as the percent of students absent from school building over past 14 days

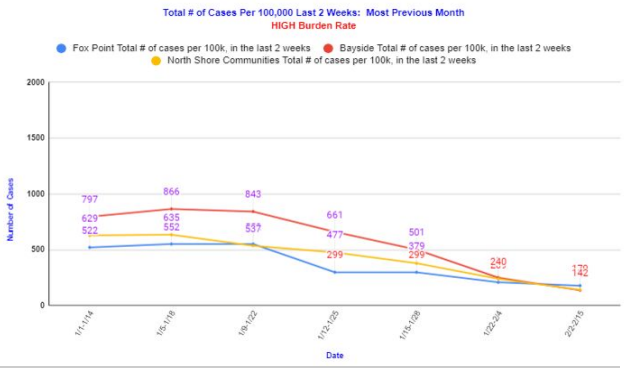

**#4 - Community Burden (Harvard Model):** See below.

SCHOOLS

Burden (case rate per 100,000 in most two recent weeks 2/2-2/15)

<b>Bayside</b>	<b>HIGH</b>	<b>137</b>
<b>Fox Point</b>	<b>HIGH</b>	<b>179</b>
<b>North Shore Communities</b>	<b>HIGH</b>	<b>142</b>
