

COVID-19 MONITOR & TRANSITION DASHBOARD

DATA AS OF
2/20/2021 @
4:00pm

*Based on Friday's Data
2.19.2021*

STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case Current Students Quarantined Due To Close Contact

0 (0%)	2 (.24%)
0 (0%)	1 (.21%)
0 (0%)	1 (.27%)

TRIGGER POINTS

#1 14-Day Cumulative Positive Case % **#2** 14-Day Average Staff Absence Rate **#3** 14-Day Average Student Absence Rate

0%	2.86%	2.95%
0%	3.51%	2.91%
0%	1.96%	2.98%

Potential Transition to Virtual Learning

#1 - Positive Case %: Cumulative total positive cases over the last 14 days, divided by the total number of staff **[** This now includes all students and all staff, whereas, previously it only included those who were in the facilities]**

#2 - Staff Absence Rate: Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

#3 - Student Absence Rate: Calculated as the percent of students absent from school building over past 14 days

#4 - Community Burden (Harvard Model): See below.

SCHOOLS

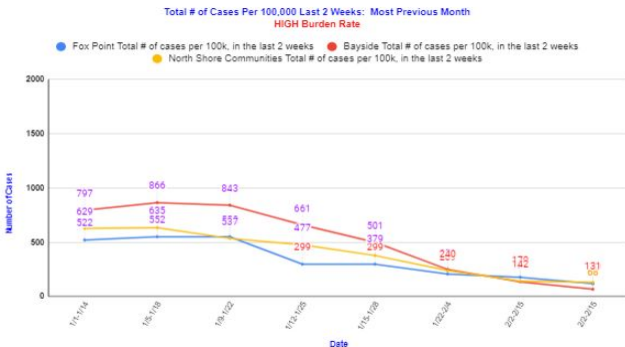

Stormonth

Bayside MS

Burden (case rate per 100,000 in most two recent weeks 2/2-2/15)

Bayside	HIGH	68
Fox Point	HIGH	119
North Shore Communities	HIGH	131
