- ★ Monday, May 1st - Parents will receive 5th grade elective information for choosing a World Language, along with their choice of Performing Arts class(es), should they decide to participate.
- ★ Tuesday, May 2nd - Ms. Hackl, Bayside Middle School principal; Mr. Stiglitz, Bayside Associate Principal; and Ms. James, Bayside Middle School Counselor, will visit with the 4th grade classes at Stormonth School. This visit will also include a panel of Bayside students who will share their middle school experience with the 4th graders and answer questions that students may have. Bayside Middle School French and Spanish teachers will also attend to discuss their World Language Programs.
