

# SUPPORT OUR FOX POINT-BAYSIDE EDUCATIONAL FOUNDATION!

(And learn all about who we are and what we do!)

The Fox Point-Bayside Educational Foundation is a non-profit, 501(c)(3) organization of a volunteer group of parents and community members dedicated to enhancing the learning environment of students at Stormonth Elementary and Bayside Middle Schools.

The Foundation supports District initiatives and capital improvements to school property, equipment for classrooms and buildings, and special projects.

We believe supporting programming is always a rewarding effort to mobilize significant change among our student body, future leaders and community.
