

Dear Stormonth Families,

Below are a few reminders for our drop-off and end-of-day pick-up by car procedures and how you can help us try to be as efficient and safe as possible, especially during these chilly days!

1. **Arrival by Car:** Children who arrive by car can be dropped off in the back of school near the playground on the east side of the building off of Longacre Road between 7:30 am and 7:40 am. Playground drop off line will travel West on Community Place, and then South on Longacre Rd. Cars should not be dropping off in the bus line. Children can also be dropped off in the Circle Drive beginning at 7:30am and should be dropped off in the Circle Dr. if arriving after 7:40 am.
 - ❖ **These Zones Are Just For Drop-Off, Not Parking.** If your child needs support getting in or out of the vehicle, buckling, or closing their car door we ask that you park in the main lot to walk your child up to the door or to the playground. Parents should not be getting out of their vehicles.
 - ❖ Students being dropped off at 7:50 am or later will need to be signed in at the office.

2. **Dismissal by Car or Walk Up:** Families are invited to drive through the Circle Drive from the north OR park their cars in the main parking lot and queue in a walk-up line near the bike racks.
 - ❖ Family members will need a **NEON GREEN colored sign** with their LAST NAME for dismissal and displayed in a front window of their car. For safety purposes, students will remain in the school gym until their name is called by a staff member on a walkie-talkie. If you need a sign, please contact the office and we would be happy to issue you a sign.
 - ❖ **Circle Drive is For Quick Pick-up, Not Parking.** If your child needs support getting in or out of the vehicle, buckling, or closing their car door we ask that you park in the main lot and meet your child outside by the bike racks. Parents should not be getting out of their vehicles.

Thank you for helping us with a smooth, speedy, and safe arrival and dismissal for our students and staff!
