

# WALK BIKE & ROLL TO SCHOOL

Previously Bayside Ped'n Pedal

**Bayside Middle School is joining thousands of other schools to celebrate the physical benefits of walking and bicycling and to promote safe crosswalk habits.**

## Wednesday, October 4th

**We encourage all students who can walk, bike or roll to school to participate. Parents and Caregivers should review [Pedestrian Safety](#) and [Bicyclist Safety](#) information with their children. Learn more at [walkbiketoschool.org](http://walkbiketoschool.org).**

**The Crosswalk at Pelham and Brown Deer Road will be monitored by the Bayside Police Department and parent volunteers will facilitate safe crossing habits.**

**Why Brown Deer Road?** Brown Deer Road is a dangerous crossing even with blinking safety lights and signage. By reinforcing safe crossing practices for students, we will help them become more active and aware crossers.

**Where:** Crosswalk @ Pelham & Brown Deer Road

**Time:** 7:50-8:10AM and 3:30-3:50PM
