

# COVID-19 MONITOR & TRANSITION DASHBOARD

DATA AS OF  
**11/20/20**  
\*Updated every  
Friday

## STUDENT COVID-19 DATA

Current Students Isolated Due To A Positive Case      Current Students Quarantined Due To Close Contact

3 (.47%)	38 (5.91%)
3 (.837%)	27 (7.54%)
0 (0%)	11 (4.44%)

## TRIGGER POINTS

**#1** 14-Day Cumulative Positive Case %      **#2** 14-Day Average Staff Absence Rate      **#3** 14-Day Average Student Absence Rate

1.71%	12.58%	18.03%
2.11%	15.27%	19%
1.2%	8.53%	16.4%

## Potential Transition to Virtual Learning

**#1 - Positive Case %:** Cumulative total positive cases over the last 14 days, divided by the total number of staff and students in the facility.

**#2 - Staff Absence Rate:** Level of concern for this metric varies based on the staff member who is quarantined/isolated or sick and the ability to fill each staff absence.

**#3 - Student Absence Rate:** Calculated as the percent of students absent from school building over past 14 days

**#4 - Community Burden (Harvard Model):** See below.

FOX BAY DISTRICT

STORMONTH

Stormonth

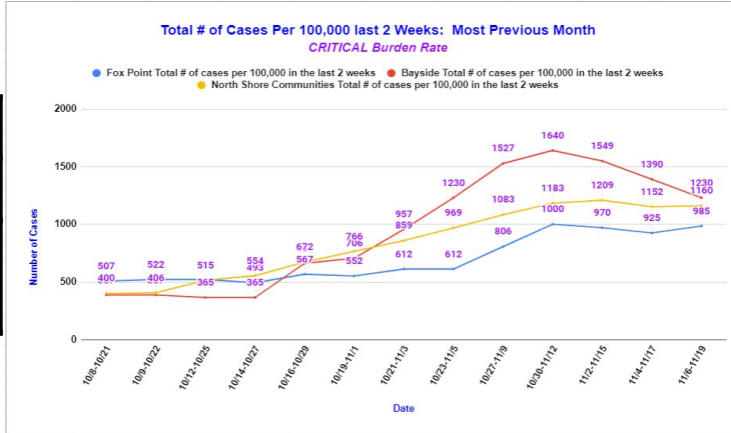

Bayside MS

SCHOOLS

Burden (case rate per 100,000 in most two recent weeks 11/6-11/19)

Bayside	CRITICAL	1230
Fox Point	CRITICAL	985
North Shore Communities	CRITICAL	1160

#4

Current Community Burden Rate: **Red**

*Harvard Global Metrics* Determined based on the cumulative number of community cases over 14 days. There are four levels: **Green**, **Yellow**, **Orange**, and **Red**.
