The Fox Point-Bayside School District will include an operational referendum question on the November 6 ballot asking taxpayers for permission to increase our state revenue limit by an additional \$3.1 million per year for each of the next four school years (2019-2020 through 2022-2023) to maintain instructional programs, class sizes and effective operations.

The sessions will be open-house style so it is not necessary to arrive at the designated start time. Please join us as your schedule allows. District officials will be available throughout the session to answer questions. We hope to see you!

More information about the referendum will be posted on the district website <https://www.foxbay.k12.wi.us/district/referendum.cfm> in the coming weeks. Please email referendum@foxbay.org with specific questions.
