

Vaccination Clinic

Bayside Middle School has partnered with Novir, Milwaukee's premier vaccination administrator, to host an onsite vaccination clinic, enabling our students to receive the life-saving vaccines they need. Available vaccinations include Tdap, COVID, and Flu. All are welcome.

To register, please complete the following 2-step process. Registration is required for immunizations.

Step 1:

Scan the first QR code and enter patient information

Step 2:

Scan the second QR code and select appointment time

Clinic Details

Location:

**Bayside Middle School:
Cafeteria**

Date:

October 20, 2023

Time:

3:45 – 5:45 pm

Children must be 4 years of age or older to be vaccinated.

Federally funded vaccines will be available for qualified children.

Parents are welcome to attend but are not required.

Please bring insurance information and completed consent forms.

If you are unsure if your insurance will cover the vaccines, please call your insurance provider directly to confirm.
