

STRONG COMMUNITIES BUILD STRONG FAMILIES

With the winter days and holidays approaching, let's pause to consider supporting those in our greater school family who may be experiencing unexpected challenges this season.

Let's spread some *good cheer* by easing a bit of the burden for a school family in need. Your donation will be used to purchase helpful gift cards that will be distributed anonymously by our school principals.

Access this [payment link](#) on the Fox Point/Bayside PTO page.
This giving campaign ends on Tuesday, December 12th.

Remember, these are our neighbors, our classmates, our friends.
