LAKE DRIVE CONSTRUCTION

The Wisconsin Department of Transportation has notified the Village of Fox Point that the Lake Drive Road and Utility project is slated to begin the third week of March and continue through the end of August. Please note weather and other issues could affect the schedule.

Once the project begins, Lake Drive will be closed to traffic from School Road to Dean Road. Traffic will be detoured to Port Washington Road via Silver Spring Drive or Brown Deer Road. Residents who live on Lake Drive or east of Lake Drive should limit driving in the construction area, using Santa Monica to travel north/south and use the closest cross street to access their homes. **More information on the project can be found here.**

We have informed Riteway of this project. Riteway will contact you if this significantly changes your drop-off or pick-up times. We encourage you to download the "Here Comes the Bus" App, or contact bus dispatch (414) 226-5481 with questions regarding active bus trips.

DOUBLE YOUR IMPACT FOR OUR NEW LIBRARY

This March, we have an incredible opportunity to help build a new, state-of-the-art North Shore Library. Thanks to a generous matching grant from David and Julia Uihlein, every donation you make will be doubled—up to \$250,000!

Your \$1 becomes \$2. Your \$50 becomes \$100. Together, we can create a vibrant community hub where learning, connection, and creativity thrive.

Donate Now to double your impact during National Reading Month! And, check out our unique **Naming Opportunities** for your family or business! Every donation helps!
