Culture Poster Project

Objective: Students will create a poster to show what they know and understand from our notes and group discussions on culture.

Procedure:

1. Create a poster that explains the key concepts we have discussed. Use our note sheets and choose at least 6 of the 10 elements of culture to explain.
2. For each of the concepts you choose, define/explain what it is, and be sure to include examples. Examples can be from your own family or general examples from a culture you choose. If you choose to use general examples be sure to stick with the same culture for all your concepts.
3. Each concept should also have an illustration.
4. Put your name and hour on the bottom right hand corner of your poster.
5. The poster should be neat and appealing and contain NO spelling errors.
6. Students will be presenting this project.
